LETTER OF APPRECIATION

Dear Mauliddin

Thank you for the services provided by INTERGY to us, in the achievement of all aspects regards Consultancy of Radiography Management System and Planning of Radiation Safety & Radioactive Security.

Radiography Testing is a very important aspect in our business. Required quality, quantity and delivery are perfect to drive success and satisfaction of all customers.

We hope you and INTERGY be successful in all of its businesses, present and in the future.

Yours truly,

M Ghazali Rahmat

Managing Director
